EDUCATION

University College Dublin | Dublin, ROI

Expected Aug. 2026

Master of Science in GIS and Remote Sensing

Vassar College | Poughkeepsie, NY

May 2024

Bachelor of Arts in Environmental Studies

GPA 3.79 / 4.00; Departmental Honors

Thesis: A Dam Solution: Understanding the potential of beavers in stream restoration in Casperkill watershed

Advisor: Dr. Deon Knights

HONORS & AWARDS

International Student Scholarship, University College Dublin

2026

Sigma Xi Honor, Vassar College Chapter

2024

The Collins Student Research Fund, Envir. Research Institute, Vassar College

2023

PROFESSIONAL EXPERIENCE

Jill Troy Werner Sustainability Education Fellow, Vassar College

Jul. 2024 – Jul. 2024

Office of Sustainability

- Supervising multiple teams of students through data collection and analysis projects.
- Coordinating lab exercises as the teaching assistant for environmental science courses.
- Played a key role in pushing Vassar College's decarbonization plan forward and in developing their five-year climate action plan.
- Designed, built, and maintained Vassar's sustainability data platforms including developing a project database and a sustainability map using ArcGIS Pro, R, and Microsoft Excel.

RESEARCH EXPERIENCE

Research Asst., Earth Science Department, Vassar College

Jun. – Aug. 2024

Dr. Deon Knights

- Compiled and interpreted large amounts of data
- Created a model of nutrient removal using GIS and Microsoft Excel in an urban stream
- Drafted and working to publish a research paper

Research Asst., Environmental Research Institute, Vassar College

Jun. – Aug. 2023

Dr. Deon Knights

- Conducted multi-hour benthic chamber and solute tracing experiments in the field, collecting water samples

Kyra Hoffman | Page 2

- Ran water samples through an ion chromatograph and correcting the resulting curves
- Completed an eight-page literature review of beaver wetland hydrology
- Working compiling conclusions in a poster presentation

Research Asst., Undergraduate Research Summer Institute, Vassar College May – Jul. 2022

Dr. April Beisaw

- Trained on and proficient in the use of GIS, ArcGIS, and GPS in Field Work
- Collected and compiled large amounts of data to support research
- Developed final report communicating research and key stories

Research Asst., Earth Science Department, Vassar College Jan. – May 2022

Dr. Kirsten Menking

- Collected a series of water samples across a time continuum
- Completed spectrophotometry on lake water samples, examining nutrient levels
- Created a report on findings of nutrient pollution with recommendations on further steps for remediation

RESEARCH SKILLS

Field Work: Water sampling, Benthic chamber experiments, Dilution gauging and solute tracing, GPS marking and tracing, Archaeological unit digging/shovel test pits, Surveying, Well slug and bail testing, Aquifer characterization

Wet Laboratory: Light/Polarizing microscopy, Spectrophotometry, Ion Chromatography, X-Ray Diffraction

PRESENTATIONS

American Geophysical Union Conference, New Orleans, LA **Dec. 2025**
Poster: "The Effects of Beaver Ponds on Nitrate Uptake in an Urban Stream"

Environmental Research and Praxis Symposium, Vassar College **Feb. 2024**
Poster: "The effects of seasonality and nutrient loading on nutrient uptake in an urban beaver wetland"

American Geophysical Union Conference, San Francisco, CA **Dec. 2023**
Poster: "The effects of seasonality and nutrient loading on nutrient uptake in an urban beaver wetland"

New York State Archaeological Conference, Orange, NY **Apr. 2023**
Poster: "Champagne and Shadows: Mapping the Costs of City Water"
Poster: "Research Using the New York Poorhouse Spatial Database"

MEMBERSHIPS

American Geophysical Union **Jun. 2023 – Jun. 2026**

Kyra Hoffman | Page 3

Geological Society of America
Sigma Xi

Jun. 2023 – May 2025
May 2024 – May 2025

SKILLS

Certifications: R Certified

Platforms: Google Workspace (Advanced) , Office 365 (Advanced), ArcGIS (Pro, Online, Storymaps, Fieldmaps), QGIS, Adobe Creative Cloud (Photoshop, Illustrator), Canva, Procreate
